Christian Work Continues in Communicative China

The Reverend and Mrs. Edwin Kilbourn and son Ernest, from the Oriental Missionary Society, with headquarters in California, were guest speakers at the Community Church of Belle Glade Wednesday afternoon. The meeting opened at 3:30 p.m. with singing led by Ernest Kilbourn with Mrs. Kilbourn at the piano. Introduced by the Rev. Mr. Royals, each of the trio gave a very interesting talk, telling of the varied experiences in their work. The family has spent 3 years in Japan, 3 in Korea, 19 in China, and have also labored in Greece and South America.

They will leave again the 25th of this month for the Orient. Mr. Kilbourn stated, "We must do as much missionary work in Japan as possible because Communism takes over as has happened in China and Northern Korea."

The Kilbourns have been in this work since 1901 and during that time have established 9 Bible seminaries and trained 200 native pastors in these countries. Mr. Kilbourn stated that even the China is now a closed door to missionaries for Christian work continues and there is still a great work being done by the natives and co-founders of this work there.

Christian Science Lecture Sunday

"Christian Science: The Revelation of Man's Dominion Over Evil" is the title of the free lecture on Christian Science to be given at the Everglades Theatre Sunday afternoon Feb. 12 at 3:15 o'clock. Robert Stanley Ross, C.S.B., the lecturer, comes from New York City, New York, and is a member of the Board of Lecturers of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. Mr. Ross is speaking in Belle Glade for First Church of Christ, Scientist, here.

In arranging for the lecture, the members of First Church of Christ, Scientist, of Belle Glade believe they are providing a means for reaching many people with answers to frequent questions about Christian Science, what it teaches, how it heals, why thousands have become its adherents. A cordial invitation is extended to the public to attend.

gold arrow; Pete Kirchman, one gold arrow and two silver arrows.

Mr. Norman Haytill, District Scout Commander, conducted the candlelight graduation services of the eleven boys from Cub to regular scouting. They were: John Thompson, James Chambliss, George Farnall, Bud-

dy Collins, Lavey Hunt, Lynn Warren, Louis Friedhelm, Walter Moody Charles Bamford, Les Braddock and Ned Elaberry. About one hundred and fifty attended the services and enjoyed the exhibits on display by the various dens.

The boys are making plans for the Blue and Gold banquet to be held soon, celebrating the 40th anniversary of boy scout-

ANTI-RUST

GASOLINE

CONTAINS RD-119 New Sinclair Scientific Discovery That Stops Rust

EVERY CAR NEEDS new Sinclair Gasoline with RD-119 to protect the fuel system against rust and corrosion. Here's why: All gasolines contain minute quantities of water caused by moisture condensation. Result: Rust forms inside your gasoline tank and non-ferrous parts of your fuel system corrode. To prevent rust and corrosion, the anti-rust chemical RD-119, in Sinclair Gasolines, coats the inside of your car's fuel system with an invisible protective layer.

VISUAL PROOF RD-119 STOPS RUST

Both give you anti-rust protection plus top gasoline performance

TESTED IN ORDINARY GASOLINE—This steel rod is heavily coated with rust after immersion in ordinary gasoline in prescribed laboratory test. In contrast, a small proportion of water was added to the gasoline. In the case of all gasolines containing minute quantities of water caused by moisture condensation.

PROTECTED IN NEW SINCLAIR GASOLINE—This steel rod shows no rust after immersion in Sinclair Gasoline containing RD-119 in one identical test as left. In the same way, RD-119 in the new Sinclair Gasoline stops rust and corrosion in the gasoline tank and fuel system of your car.

RD-119—GREATEST GASOLINE DEVELOPMENT IN YEARS

ONLY SINCLAIR SAVES YOU THIS PROTECTION

Send Will Go To Palm Beach Parade Tomorrow

The Belle Glade High School band has been invited to attend the Palm Beach Junior College Mardi-Gras parade tomorrow, scheduled to start at 2:00 p.m.

The group will leave Belle Glade about 11:00 a.m. in two buses. The various social and scholastic organizations of the campus will entertain our band, together with others participating, immediately following the parade. All recreational facilities, swimming pool, tennis courts, basketball courts, etc., will be available for the amusement of the guest.

cat, which is in its fifteenth year of
publication in Atlantic City.
He received his education at
Transylvania College, Emory
University, Lamar College, and
the University of Chicago. During
his college days, he played football
and basketball.

Mr. Stauffer has served as
pastor of the Croissant Park
Christian Church in Ft. Lauderdale.
He served two terms as
president of the Ft. Lauderdale
Ministerial Association.

The candidate is serving his
third term as president of the
Council of Social Agencies at
Ft. Lauderdale. This council has
80 organizations that are mem-
bers. He has just been, Janu-
ary 1st, his term as president of
the Florida State Conference of
Social Work. This conference
was established in 1921 and is
best known for its part in the
establishment of the State Wel-
fare Department, the Juvenile
Court System and the Child-
ren's Commission. He is Home
Service Chairman of Broward
and County Chapter, American
Red Cross.

He is chairman of the Brow-
ard County Adult Education
Advisory Council of the University
of Miami. This committee
organized under the sponsorship
of the Exchange Club, was re-
sponsible for the establishment of
Lauderdale fully accredited uni-
versity courses.

He has served on the speak-
ers' bureau of both the Com-
munity Chest and the American
Red Cross.

In 1948 he organized both the
West Palm Beach and the Ft.
Lauderdale Executive Clubs.
He served as the first president
of the Ft. Lauderdale Club
which was presented during his
term. Randolph Churchill, son
of the former British Prime
Minister and Archbishop Otto
of Austria, bear to the throne
of the Hapsburgs.

He is a member of the Ft.
Lauderdale Kiwanis Club and
the Benevolent and Protective
Order of Elks.

YOUR COUNTY

COMMISSIONER

Neil E. MacMillan, Delray
Beach attorney, announced this
morning that he will be a can-
didate for County Commissioner
from that district in the May
2nd primary.

MacMillan is well known
in this area and in Palm Beach
County. He has just completed
two year terms on the Delray
Beach City Council. It was
largely through his efforts that
the city was instrumental in
securing tentative approval in
the 1946 State Road Department
budget for the improvement and
reconditioning of U. S. High-
way 1 through Delray Beach to
Boynton Beach.

He is a past director of the
Kiwanis Club, past president
of the Delray Beach Junior
Chamber of Commerce and pre-
sident of the public Affairs
and Livestock Committees
of the State Jaycees, past Vice-
commander of the American Leg-
ion, a past Cubmaster and
Chairman of Pioneer District
Committee (Boynton-Delray
Beach-Boon Raton area) of Boy
Scouts of America, present di-
rector of Palm Beach County
Red Cross, and past Chairman
of Delray Beach Red Cross and
Cancer Fund drives. MacMillan
is also a member of the Elks,
East Palm Beach County Farm
Bureau, Palm Beach County
Citizens' Association, Palm
Beach County Sportsman's Club,
and Delray Beach Property
Owners Protective Association.

He is an Elder in the First Pres-
byterian Church of Delray
Beach.
He has been a resident of
Florida for twenty five years,
and of Palm Beach County for
ten years. He graduated from
John B. Stetson University, De-
land, Florida, in 1946 with LL.B.
and A. B. degrees. Prior to his
service in the law as an
enlisted man and an officer,
MacMillan has been associated in
the practice of Law with Chas.
Frances Cox in Palm Beach.
In announcing his
candidacy, he stated, "The area
comprising this district will
have an unprecedented growth
in the next few years. If elected,
I will represent each part of the
district in an impartial and busi-
ness like manner, and will co-
operate to the fullest extent
with all of the municipalities."
MacMillan expressed alarm over
the general trend towards
"big government" and "back-
ruptcy financing." He pledged
himself to combat this trend
and to guard against such phil-
osophies permeating the County
administration.

He particularly expressed his
interest in improving the roads
and bridges of the farming sec-
tions of the district. He stated
that the farming economy
represents the most economic im-
portance and in future poten-
tial growth, and good roads and

bridges are a "must" to the
farmers. Mr. MacMillan owns a
small cattle farm West of Del-
ray Beach, where he raises
grade Hereford and Brahman
cattle.
Mr. and Mrs. MacMillan re-
side at 23 Dixie Blvd. with their
two daughters, Lynn and Carol,
and their six day old baby son,
Neil Thomas.

YOUR RAILROAD

COMMISSIONER

Grady K. Albritton, well-
known Tampa business man,
formally announces his candi-
dacy for office on the Florida
Railroad and Public Utilities
Commission, Group 1, subject
to the Democratic Primaries.

Albritton, a native Floridian
is 37 years old and a member
of a pioneer Hardie County
family. He was born in Bow-
ling Green, Florida, where as a
boy worked on a farm and
attended public grade schools.
Upon his graduation from the
Wausau High School, where he
was prominent in school ac-
tivities and athletics, he majored
in Business Administration and
Accounting at the Business
University of Tampa. He is a
refugee of World War II and
since his return from the armed
services, has engaged in the real
estate business in Tampa. He is
a member of the Baptist Church
and American Legion.

In making his formal an-
nouncement for the office, Al-
britton said, "I have just com-
pleted a tour of the state, visit-
ing many business and civic
leaders who heartily agree
that Florida, one of our fastest grow-
ing and most progressive states,
urgently needs young and vigor-
ous men in positions of lead-
ership."

Albritton, who is making his
first bid for public office, said
he has been already launch-
ing a vigorous state-wide cam-
paign for this important office,
based upon honest and expeditious
administration of the de-
partment of the commission, which
is vitally affecting the progress
of the state and the prosperity of
our people.

"As a native Floridian and
democratic principles of 'live
and let live' are inherent, I will
be fairness to all, fearlessly and
unselfishly protect the interests
of both taxpayers and utilities
alike."

"As your Commissioner, I will
personally urge full representa-
tion of all of the people at com-
mission hearings in which com-
munity problems and lawsuits
involved, and will render fair
and impartial rulings, only after
a comprehensive investigation
of facts have been made."
"I will advocate and support
a master fact-finding agency in
order to accomplish more effi-
cient methods of determining
rates, equitable to all and dis-
criminatory to none."

"I will work wholeheartedly
with all laws and interstate
agreements for the removal of
barriers and discriminatory prac-
tices affecting the movement of
Florida citrus, produce and pro-
ducts to northern markets."

"As a business man, I am
without political debts or obli-
gations and will not be subser-
vient to any group or special
interest but will pledge myself
to keep politics out of the com-
mission and conduct all affairs
on a courteous, business-like
basis."

"As the functions of the Rail-
road and Public Utilities Com-
mission affect every man and
woman of Florida, regardless of
position or income," Albritton
said, "I urge every citizen to
qualify and vote in the forth-
coming Democratic Primaries."

YOUR SENATOR

James G. Harrell, Orlando
lawyer and former legislator,
today became the second ap-
pointed to the Senatorial post now
held by Claude D. Pepper. Har-
rell paid the qualifying fee and
took the candidates oath before
Secretary of State R. A. Gray.
Terming himself "The People's
Candidate," Harrell said,
"Regardless of how good words
the incumbent may utter as he
makes his every-six-year vote
seeking tour of the State, there
are only three issues in this
campaign: States Rights, Civil
Rights, and the Constitution."
Harrell explained his stand
on these issues in these words.
"I am unequivocally for States
Rights. I am unambiguously
opposed to the so-called and
mis-labeled proposed Civil
Rights legislation. I favor a for-
eign policy which will effective-
ly halt Communist Russia's
career of conquest."
The Candidate was a member
of the Florida House of Rep-
resentatives from Orange
County in 1947, served 4½
years in the Army, serving in
the United States, England,
France and Germany during
World War II. He is the son
of the late Bernard R. W. Harrell,
well-known Florida Baptist
preacher. He is 40 years of age,
and lives with his wife and two
sons on a small orange grove
near Orlando.

Smathers To Attend

Delray Beach Fair

Rep. George Smathers has
accepted an invitation to close
the South Florida Gladioli Festi-
val and Fair to be held at Del-
ray Beach February 20-25, Paul
E. Gringle, chairman of the spe-
cial events committee, has an-
nounced. He will be present on
the final night and will bring
with him a collection with ap-
propriate ceremonies.

The Fair takes on special sig-
nificance this year with the an-
ticipated appearance of Senator
Claude Pepper on the opening
night. Senator and Mrs. Pepper
have stated that they will be
present.

An invitation to attend the
Festival was extended to Mr.
Smathers on the same day that
Mr. Pepper was invited. Mr.
Gringle said, "It was necessary
for Mr. Smathers to rearrange
his itinerary before he could
notify the special events com-
mittee confirming his acceptan-
ce. Mr. Gringle reported.

"Letter From Washington"

Last year, so the story goes,
an unnamed President wrote the
President of the U. S.: "I see
where Hoover say you want to
get rid of sun bureau. Could
you end me one?"

To go along with the joke,
the unnamed side replied as fol-
lows: "The President is keeping
all his old bureau. Could you
send me an old, badly-scarred
cabinet?"

Unemployment Payments

Continue Downward

Unemployment compensation
payments and recipients con-
tinued downward trends as both
dropped approximately nine per-
cent for the week ending Janu-
ary 28 compared to the previ-
ous week, the Florida Indus-
trial Administration of the de-
partment of the commission an-
nounced today.

Recipients dropped from 10,
877 to 9,902 during this period.
This represents a decrease of
3,176 over the two week period.
Payments dropped a decline of
\$127.81. A total of \$129,472 was
paid out during the week as
compared to the \$135,353 of the
previous period.

Half of the counties in the
United States if neces-

state showed decreases in both
payments and recipients. Hills-
borough County had the biggest
drop with \$44 decrease in re-
cipients. Four of the counties
remained the same, while 23
had slight increases. Duval
County, which has the largest
number of recipients, had a de-
crease of 239 re-
cipients.

Payments to persons now liv-
ing in other states, but who
worked in Florida, the Florida
earned wage credits in Florida
increased during the week end-
ing January 28, with 947 more
workers' \$88. Approximately
\$17,585 were paid out to this
group.

Floridians Pay

Large Sum In Taxes

Government last year billed
the people of Florida, and col-
lected from them, \$595,300,000
in federal, state, county and
municipal taxes, according to
the Florida State Chamber of
Commerce.

Persons represented 22 per-
cent of the people's entire 1949
income but was not all the taxes
imposed upon them. Floridians
paid an additional estimated
\$150,000,000 in so-called "hid-
den" taxes. These figures were
made public during the week's
business review of the State
Chamber's research and indus-
trial division.

"All told," the State Chamber
reported, "Floridians last year
paid 27 percent of their income
into the coffers of government,
or a total sum approximating
\$745,300,000. Although total
taxes include taxes from all
sources, as well as those paid
by the individual, it is the indi-
vidual or the family consumer
who ultimately pays the bill,
either directly or indirectly."

A per capita breakdown, said
the Chamber, shows that gov-
ernment spent \$239 of each
Florida's 1949 earnings. Tabu-
lary 28 compared to the previ-
ous week, the Florida Indus-
trial Administration of the de-
partment of the commission an-
nounced today.

Recipients dropped from 10,
877 to 9,902 during this period.
This represents a decrease of
3,176 over the two week period.
Payments dropped a decline of
\$127.81. A total of \$129,472 was
paid out during the week as
compared to the \$135,353 of the
previous period.

Half of the counties in the
United States if neces-

sary to prevent a mandatory
after hearings on the subject,
Florida does not feel rates in-
creases are justified. Chairman
King and his associates have
ordered their legal and com-
mune departments to oppose
the raise through all courts.

Alborno
"Mah Uncle Tom's in de
hospital."
"How come?"
"He climb down de ladder,

WHAT'S NEW IN THIS PICTURE?

What you just look like. The SPECIAL shows most brightly on the hood and
around all windows. A more photo-and radio, these are new, a radio
set, and a new look. See the SPECIAL in the best field of your dealer!

Here's where Thrift and Glamor meet

Recognize this sprightly traveler?

Yes, it's the Buick SPECIAL 6-pas-
enger Sedan that has caught the
public fancy not only on its sleek
lines, but on its easily-reachable
price.

But notice anything new on it?

That's right — gleaming trim and
the name plate "SPECIAL" bright-

ening up the fenders. Brightwork
around the windshield and win-
dows, too. And when you swing
the door open you'll see still other
touches of added luxury — side
mould, front and rear, a robe rail,
an extra ash tray.

It's all still mighty thrifty, because
this strapping straight-eight sells
for less than many sixes.

Why not drop in and see for your-
self, both how these added touches
dress up this SPECIAL and how
close it is in price to cars of much
less room, riding comfort, stand-
ing and performance.

Your dealer will be glad to see
you — glad to show you how this
traveler handles — glad to sign you
up for prompt delivery.

Relief For Veteran Homeowners Stressed

Rep. George Smathers is offering a program of relief for veteran-homeowners whose budgets are strained by monthly payments on houses bought under stress of peak prices and the housing shortage.

Smathers says he plans to introduce and push for passage, legislation to reduce such home payments as take a disproportionate cut of the veterans' monthly "take-home" pay.

"I have made a study," Smathers asserted, "of the cost of housing to veterans today as compared to the costs three or four years ago. There is considerable difference which is working in unfair advantage to the veteran who bought or built several years ago, when, because of housing shortage, his need was imperative.

"It is my hope to draft legislation which will afford that veteran an opportunity to bring his monthly payments by extending the length of time of his total payments. It will result in no overall loss to the federal government.

"This can be done by authorizing the RFC to purchase these mortgages now held by private insurance companies which do not wish to extend time of payment," he said.

State Chamber Plans Annual Meeting Dates

The Florida State Chamber of Commerce will hold its 94th annual membership meeting here on November 18, 20 and 21. Announcement to this effect was made today by the organization's president, Walter L. Hays, who is also president of the American Fire and Casualty Company with home offices in Orlando.

Coincidentally, Harold Cole, the State Chamber's executive vice president, said at Jacksonville today that committees and divisions, soon to hold their spring conferences, will aid in the development of the annual meeting program.

"It now appears," Cole said, "that tax and other problems affecting the State's industrial growth will be re-examined in the light of the splendid exploitation work being done by the State Industrial Development Council, which was recently activated by Governor Warren in the request of the State Chamber's industrial division."

Chitwood's Auto Daredevil Final Appearance Sunday

Joie Chitwood and his original Auto Daredevil will complete their 1959 engagement at the Florida State Fair in Tampa with a program next Sunday afternoon, which promises to be

triple with new thrills. The Chitwood aggregation performed last Wednesday afternoon and Friday night to record-breaking throngs, and P. T. Strieder, manager of the state fair, is making preparations to handle a sellout throng for the final event of the 1959 annual.

Chitwood will personally set the pace for his galaxy of daredevils, and he will attempt to set a new world's record for a high side with a stock sedan. He holds the present mark of 72 feet, and he is of the opinion that he can hold a machine up on two wheels for a distance of more than 50 feet if track conditions are favorable.

Jimmy Owens, state fair superintendent, has promised his crew will do everything possible to have the fans in shape for such a treat.

Snooks Wentz of Reading, Pa., and Dick Cobb of Augusta, Ga., will conclude their world's championship roll-over contest at next Sunday's performance.

These daredevils will have completed more than 50 deliberate crash tests with stock sedans in the past 12 days when they move into the final round next Sunday. They will be battling for a huge trophy and a large cash award, and both are expected to end all caution to the winds in the final effort.

Chitwood's hell driving, the sensational four-car Roman stepladder racing, ski jumping with stock sedans, the dive bomber crash, motorcycle, and auto fire will crashes, and the breathtaking leap of a stock sedan completely over another sedan also will be included in the two-hour program, suggested by Chitwood's group of daredevil clowns.

The program will start at 7 p.m. at 2:30 p.m., and as the Fair closes Saturday night, there will be no outside admission for Sunday's program.

\$120,000 Hospital Set For Monday

Activities began last week on site of the new Hendry County Hospital when ground was broken.

TRAILWAYS

The Florida Fruit and Vegetable Association has just published their 1949 annual which reveals some interesting data, one of which gives the car and truck movement for the 48-49 season. This report gives 7,184 packages leaving Florida for the Northern market with celery leading with 11,725 packages and beans and cabbage a close second with 9,529 and 9,014 respectively.

Watermelons, strawberries and other fruits bring the total up to 90,991 packages which "ain't" hay."

Testimony Cancelled

"Grandpa" Smith had reached the ripe old age of 102 years. He was being pressed by officials of an anti-tobacco league to sign a testimonial crediting his longevity to the fact that he had never used the weed in any form. Just as Grandpa grasped the pen in his feeble hands and scrawled his approval to the testimony, there came from the adjoining room an awful racket—kitchen pan falling, glass breaking, and mumbled complaints of a human voice.

"What's that?" queried one of the anti-tobacco.

"Oh," sighed Grandpa, as he leaned wearily back on his couch, "that's my pa. He simply goes wild when mama hides his smokin' tobacco."

He Was Too

Visiting with convicts in a penitentiary, a woman social worker spoke to a tough looking gent: "My good man, I sympathize with you. I presume it was poverty that brought you here?"

"Oh! No, my good woman," replied the inmate with feigned gentility, "I was simply coming money."

on for the new building estimated at \$120,000.

Building materials are being assembled which, with approximately \$25,000 worth of modern hospital equipment, was donated by the U.S. Sugar Corp. to the county for a new hospital when the sugar corporation-owned hospital was closed, leaving Hendry County without one.

Site of the new plant will be directly across US Hwy. 27 from Clewiston Junior-Senior High School. It has a frontage of 400 feet on the highway and a depth of 800 feet. The hospital will be built on the extreme end of the plot, thus eliminating traffic noise.

Hendry County Hospital Authority has planned to contract construction themselves.

Florida and it's winter vegetable industry are prone to charge that Florida vegetables are not as rich in minerals or vitamins as are vegetables produced in other areas. But extensive tests by the University of Florida Agricultural Experiment Station have proved them wrong."

Fl. Myers To Have Celebration

This town is getting ready for the greatest festival in its history—a ten-day celebration Feb. 11-20 of the city's 100th birthday.

There will be parades and pageants, balls and concerts, stunts and sports—a program-packed with activities around the clock for homefolk and visitors who are expected by the thousands.

The biggest show of all will be a historical spectacle depicting the steady growth of Ft. Myers over the century to its present status as an agriculture and tourist center with a population of 18,000 or more. Some 500 local citizens will be the actors in this pageant.

Of special interest to visitors will be open-house showing throughout the celebration of the home and laboratory of Thomas A. Edison who spent nearly 50 winters in Fort Myers and perfected some of his greatest inventions here.

The Edison home belongs to the city of Fort Myers and is maintained as a national shrine and showplace. It is kept just as it was during the great inventor's lifetime.

It was in 1850 that the U. S. Army established Fort Myers on the banks of Caloosahatchee river as a frontier outpost in the bloody war with the Seminoles Indians.

Then came the settlers and next the tourists, until now Ft. Myers ranks as one of the most modern little resort cities in the state.

Fort Myers is inviting everybody the world around to attend this celebration, enjoy the festivities and pageants—and share the figurative cutting of an imaginary birthday cake with 100 candles.

FVFA Annual Digest Reveals Interesting Figures For Past Season

The Florida Fruit and Vegetable Association has just published their 1949 annual which reveals some interesting data, one of which gives the car and truck movement for the 48-49 season. Championship Finals Tomorrow Afternoon

Geared up for the championship finals, a score of the nation's most noted speed kings will clash here Saturday afternoon in the closing day Florida State Fair auto races.

The 20 finalists are the survivors of earlier State Fair con-

petition described by veteran observers as the fastest, most furiously fought racing in the annals of Tampa motor speed.

Frankie Lupton, the defending 1949 national dirt track champion, is still rated a slight favorite but must win from several hot antagonists as Deb Snyder, Kent, Ohio; Harry Kitz,

Detroit; Jack LeVan, Indianapolis; Speed Wynn, Tampa; Jimmy Mayes, Indianapolis; and others to maintain supremacy.

The first of six races scheduled for the State Fair racing climax will start at 2:30 p.m. Qualifying trials for several new entrants will be conducted at 5 o'clock.

Pahokee Elementary School

By Stansleigh Murrell

Uncle Sam—Symbol of Democracy

An interesting question came up in our Fifth Grade Social Studies class the other day. We were in the midst of preparations for our mid-term examination and debate on the subject of "Uncle Sam." One of the students, in reading about our country, noted the initials U. S. S. and called it "Uncle Sam of America." It sounded funny and we all laughed, but then, the question arose, how did our country—the United States of America—come to be known and referred to as "Uncle Sam"? A bit of study and student research brought forth some interesting information in the next few days. This is the story we learned.

All over the world, the United States is referred to as "Uncle Sam." Cartoonists picture him as a tall, thin man with a white beard, a top-hat, and a blue and red striped waistcoat. How did Uncle Sam come to be a symbol of our country? It is believed he was "born" during the War of 1812. At that time, provisions for our army were stamped "U. S." meaning, of course, the United States. Many of these supplies had to go through the office of Samuel Wilson, a government inspector at Troy, N. Y. Mr. Wilson's friends called him Uncle Sam.

One day, a new worker in the office asked what U. S. stood for. The other workers made a joke, told him, "Uncle Sam." They kept the joke going. It spread to other parts of the country.

This nickname crowded out an older one. When George Washington was head of the Continental Army, one of his best friends was Jonathan Trumbull, governor of Connecticut. Washington had a habit of getting supplies from him. "We must consult Brother Jonathan about this," other officers used to say. Jonathan was a symbol, they gave him Brother Jonathan's looks and clothes.

In recent years, some people have complained that Uncle Sam is too old and too out of date for our vigorous, modern country. They will have a hard time convincing the American people. We like the idea of a kindly Uncle, who is always ready to lend a helping hand, and who can be stern with those who try to impose on him.

Midyear Tests were held January 25-27th inclusive for Grades 3 through 6. All subject areas were included and materials covered all work done since the beginning of the 1949-50 school term. All of the results are not recorded as yet; but so far, our average scholarship seems to be improving. Some of the individual grades have been unexpectedly high. Congratulations to the lucky ones!

"It's in my mind that blows nobody good." Our school children suffered considerable damage during the severe hurricane of last August. Injuries were numerous, property was lost, and justness having been satisfactorily made, however, the school is at present undergoing a face-lifting operation. We will soon have been moved to painted rooms and some new equipment and educational aids will be used to carry out the pleasant tasks of learning.

Friends of the Community and students alike will be very interested and mystifying performance a week ago Monday night, when the intermediate school presented Professor Lark, Master Mind of Mystery and Magic, in a performance of his magic and illusions. Large and appreciative audiences were present.

The talented performer did not stop at the usual magic tricks, but went on to perform a variety of other things, including a magic act with a complete dark and white mystification for his audience. Another performance was scheduled for last Monday night. The proceeds from this attraction added to the fund of the school.

Consumers' Problems

By Mrs. M. D. Lee

Mrs. Lee has been a consumer for many years. She has been a member of the Consumers' Union for many years. She has been a member of the Consumers' Union for many years.

Vitamin—Feeding The Family

By Mrs. M. D. Lee

Giving the diet is just as important as the food itself. It was built. This can be compared to an architect who forms the concrete material for the building. It occupies, and it is to be considered in the plans before material is considered. Then the material must be purchased for a meal be wholesome but satisfying. And sufficient for the main point. In planning for the family, consider the whole day as a unit. Of course the day

our Polio Fund Campaign.

The virus that has attacked so many of our children is now recently has finally "come to school." Not only have a number of our students been absent recently, but our faculty has also been affected. At present Mrs. Mercedes Robinson, 2nd grade teacher and Miss Lillie Mae White, teacher of the third grade are both on sick leave. We hope they will return to their classrooms soon, completely recovered and refreshed as a result of their enforced rest period.

Membership in our school year has reached an all-time record. We now have 325 students enrolled in grades 1 through 6. Of this number, 81 are in the second grade and 108 are in the first grade. This is a sure sign of growth and progress! If this trend continues, we will soon need new buildings. Already we have asked the United Superintendents' Board for new teachers. Our goal is 500 students and 25 percent average attendance by 1952.

use in the school lunchroom.

Mr. James Reacher, a prominent citizen of West Palm Beach, donated \$7.50 to the school for audio-visual aids purposes.

Women's Civic League

The Women's Civic League donated \$5.00 for the benefit of the school lunchroom. This organization plans to underwrite several lunches each month.

We are indeed grateful to the League for its thoughtfulness.

Just After Christmas

Ever since Christmas, Johnny has pestered the neighbors by beating his new drum—hard, loud, without rhythm. When papa came home one night, mama said to him: "I don't like that drum. I once like Johnny's drum."

"Why?"

"Today, he gave Johnny a new knife and told him every drum had a five dollar bill tied inside."

SOUTH BAY BEAN CITY LAKE HARBOR

The Lions Club was postponed from Feb. 2 to Feb. 9 on account of the circus sponsored by the Belle Glade Lions on that date.

Mr. and Mrs. Cess Peet of New Jersey were guests of Mrs. C. J. Brown last week.

Mr. and Mrs. Andrew Nick have returned from St. Augustine where Mr. Nick has been a patient in the hospital for two weeks. He is now convalescent and able to resume work.

Miss Marjorie Touchstone, visited her parents, Mr. and Mrs. Paul Touchstone in Ft. Myers over the week end and attended the South Florida Fair, and also attended the Air Show at West Palm Beach.

Mr. and Mrs. B. M. Fender, Keren Vadas, accompanied by Mr. and Mrs. Ira Hall and Harvey Reed of Arkansas were Sunday visitors in Fort Lauderdale and also attended the Air Show at West Palm Beach.

Mr. and Mrs. Norman Dalrymple had as week end guests his mother, Mrs. W. H. Hanford and niece Frances Webb of Coral Gables.

Mr. G. J. Barstow, Don Barstow and Miss Frances Rutledge attended the Tampa Fair and visited friends and relatives in Tampa over the week end.

Mr. and Mrs. Lavel Barvel and son Gary of Indianapolis were the Sunday guests of Mr. and Mrs. Alfred Vadas.

Mrs. Maude Hartline of Delray is spending the week with her son postmaster E. D. Hartline.

Mr. and Mrs. H. C. Williams are in Tampa for the Carnival and vacation and to attend the Tampa Fair.

Mrs. Edythe Eckman, Mrs. Leslie Martin and Mrs. Olga Hardy were all out of school part of last week on account of illness. Substitutes were Mrs. F. W. Muttshy, Mrs. E. M. Williams and Mrs. Alice Lamoureux.

Mrs. Tom Moulton of Donaldsonville, Ga. visited her daughter Mrs. L. M. Davis last week and took her three grandchildren.

ren, Butch, Bertram and Bryant Davis back home with Bryant for a time.

Mr. and Mrs. C. E. Crichfield visited Mr. and Mrs. Flavel Miller at Daytona Beach over the week end.

W. S. Krauss has been discharged from the Belle Glade Hospital where he was a patient last week following his facial injuries after having been shot Wednesday evening as he sat reading at his home by an unknown assailant. There is as yet no solution to the mystery of who or why the attack was made and no motive other than robbery has been uncovered.

Relatives Attend Funeral At Beach City

Weathers, Martha Walker, Andy McLean, Mrs. O'Neil, Walter and Garry, Robert Skiper, Mrs. E. E. Hardy and daughter Cheryl, Jimmy Sumner, Connie Perkins, Donna Page Walker, Skipper and Jerry Perkins.

P.T.A. Meets

The South Bay Parent-Teacher Association met at the school Monday evening. Mrs. Ruth Murphy's sixth grade presented a program on Valentine Day. Her room also won the attendance prize for the month.

Linda Miller Has Birthday

Mrs. Linton Miller entertained at a party at the home of Mrs. C. B. Higginsbotham in South Bay Friday honoring her daughter Linda on her third birthday.

built next summer. After some discussion it was decided to well and have the new one built.

It was announced that the next meeting, the first Monday in March meeting will be held in the afternoon to permit the County President to attend the South Bay meeting in the afternoon and the Canal Point P.T.A. meeting that night.

Mrs. Alfred Vadas, Mrs. C. E. Crichfield and Mrs. F. B. Willis were business and service of cake, coffee and punch to all who attended.

Only 15 Arrests

Palm Beach County had only 15 arrests made for game and fish violations during the year.

The county court convicted 10 of those arrested and acquitted two. No cases are pending.

Mrs. Norman said 2,097 arrests were made throughout the state. And 1,888 of those arrested were game and fish violations.

Fishing without a license was the most prevalent single offense with 891 anglers caught trying to evade the two dollar fee.

Palm County had in number of arrests with 124. There came Hillsborough with 60, Dade 14, Lake 78, and Duval and Nassau 78 each.

St. Lucie was the only county to be held here with no arrests for game and fish violations.

Shoppers Are Moving Fast Amount Of Celery

"Carload" sources of vitamins and minerals are moving out of Florida daily to all parts of the United States.

state system of Farmers Markets forms an important link in this distribution chain where buyers of fresh farm produce deal directly with farmers who grow it. More and more dealers are going directly to farmers to supply the nation with strictly fresh fruits and vegetables.

"Many of the markets are well known as certain sources for not only meat and poultry but also the Belle Glade Market has just received a large quantity of celery and beans are the top commodities, while the Palmetto Market shows cabbage and cauliflower leading. The Florida City Market is offering a heavy volume of tomatoes along with a good supply of beans and eggplants.

"Superior quality strawberries are available on the State Markets at Plant City and Starke at prices within reach of most budget minded housewives. Daily average prices ranged from 13-14¢ cent to 19¢ cent during the past week.

The senior market boasts of twenty-five to thirty varieties of vegetables in large volume with plenty of all kinds of celery available.

"P.L. Market has a good volume of celery, pepper and asparagus, while Pompano is furnishing pepper, eggplant, squash and field corn for the nation's healthful consumption.

Other markets in the system are in the spring growing stage. Palmetto is just rounding out the winter deal with small quantities of tomatoes, pepper, eggplant and squash. Cabbage and cauliflower are now available. Fort Pierce and Wauchula report excellent growing conditions have caused increased supplies of tomatoes and cucumbers, with prospects for an earlier than usual harvesting of both products.

Young Girls Entering For First Scholarship
Four young girls from Fort Myers, Fort Lauderdale, Ft. Springs and Kathleen are the first entrants in a competition to be held here by Florida Southern College for three scholarships worth \$6500.

The scholarships will be awarded to three Florida high school senior girls during the Florida Founders Week Celebration Feb. 27-March 3. The deadline for entry is Feb. 15.

The winners will receive came from Miss Elizabeth Reed of Fort Myers, Miss Ann West of Fernandina, Miss Janice Martin of Eight Springs, and Mrs. May Raulerson, of Kathleen.

Each high school in the state, whose students are eligible to enter the college, has been invited to select an outstanding senior girl for the competition. Winners will receive a full scholarship for four years, worth \$7200, which will include all room, board and tuition. The second place award will be a half scholarship for four years, worth \$3600, and the third prize will be \$2500 a year for four years, to be applied on tuition.

College officials have emphasized that the competition is a beauty contest. Entrants will be judged on character, academic achievement, extracurricular activities, cooperativeness, willingness to accept responsibility, personality, citizenship, special abilities, contributions to school and community life and participation in school, church and community activities.

During Founders Week this year the college will observe its 65th anniversary and the 25th anniversary of Dr. Ludd M. Spivey as president.
